I have reviewed the summary for legislators. Nice work Joanne and Rebecca. I think it looks great. I have made a few minor changes. See attached.

Hi Alyssa,

Attached is the summary for legislators on PFOA and North Bennington. Rebecca reviewed it and suggested some small changes. Jen Duggan also reviewed the short section on Saint-Gobain commitments.

Chuck may take a look this evening or tomorrow morning as he's able. I'll stay tuned.

Thanks,

Joanne

Thanks, Joanne! If Rebecca is free, it would be great to have her give it a read before sending it over. I appreciate it! -Alyssa

Hi Alyssa,

No problem. I'll have a draft to you by mid-day tomorrow – do you want anyone else to review it first?

I'll touch base with Renita now about the summary email you wrote previously.

Thanks,
Joanne

Joanne- AAFM and VDH have requested that DEC pull together a baseline email for legislators on PFOA & North Bennington. I did a summary email for ANR- I believe you received that last week or the week before, but if you can't find it let Renita know and she can assist locating it. Also, attached is the latest update I just sent to Scott- and past updates.

Can you please draft a comprehensive email for legislators? If so, would it be possible to send this draft to me by the end of the day tomorrow?
