

East Middlebury, VT

DEC Stormwater Infrastructure Mapping Project West Map

This map shows the connectedness of the stormwater infrastructure and was compiled from various sources including Town plans, WWMD plans, Stormwater permit plans, municipal member knowledge, field data, and a mapping grade GPS.

This map is for illustrative purposes only. The accuracy of the data layers shown on this map are limited by the accuracy of the source materials and field data collection. No warranty as to the accuracy or the usefulness of the data is expressed or implied. It is meant to be used as a planning level tool only.

Legend Line Symbols

Storm line

------- Storm line (old Sanitary line) ------ Infiltration pipe

Roof drain

Trench drain

States Emergency spillway

Stream
