

Rutland Town, VT

DEC Stormwater Infrastructure Mapping Project

This map shows the connectedness of the stormwater infrastructure and was compiled from various sources including Town plans, WWMD plans, Stormwater permit plans, municipal member knowledge, field data, and a mapping grade GPS.

This map is for illustrative purposes only. The accuracy of the data layers shown on this map are limited by the accuracy of the source materials and field data collection. No warranty as to the accuracy or the usefulness of the data is expressed or implied. It is meant to be used as a planning level tool only.

Legend

Storm line (old Sanitary line) Infiltration pipe Tunnel (storm) French drain Combined sewer ---- Trench drain Sanitary line

→ Swale ---- Stream Footing drain ── Overland flow

----- Under drain

Stormwater Points

- Drop Inlet

- Yard drain
- CB tied to sanitary sewer
- Junction Box
- Stormwater Manhole
 - Outfall

Culvert outlet

Culvert inlet

- - - Roof drain

Pond outlet structure

Emergency spillway

- Treatment feature
- Retrofit
- Unknown Point
- Information Point

Stormwater Areas

Existing Area

Proposed Area

Proposed Storm Point and Line Features

Proposed Catchbasin Proposed Storm line

Proposed Swale Proposed Drop inlet ----- Proposed Footing drain

---- Proposed Roof drain Proposed Yard drain ---- Proposed Under drain Proposed Stormwater manhole

Infiltration pipe Proposed Pond outlet structure Proposed French drain

Proposed Outfall

Proposed Culvert inlet Proposed Culvert outlet Proposed Emergency spillway Town Boundary

180 Meters
