

Shaftsbury, VT

Map #3 DEC Stormwater Infrastructure Mapping Project

This map shows the connectedness of the stormwater infrastructure and was compiled from various sources including Town plans, WWMD plans, Stormwater permit plans, municipal member knowledge, field data, and a mapping grade GPS.

This map is for illustrative purposes only. The accuracy of the data layers shown on this map are limited by the accuracy of the source materials and field data collection. No warranty as to the accuracy or the usefulness of the data is expressed or implied. It is meant to be used as a planning level tool only.

Legend

Line Symbols

--- Roof drain ——— Storm line (old Sanitary line) Infiltration pipe Tunnel (storm) French drain Combined sewer ---- Trench drain Sanitary line Emergency spillway ---- Stream ► Swale Footing drain ──→ Overland flow
