

NOTICE OF DETERMINATION OF ELIGIBILITY FOR CATEGORICAL EXCLUSION

**Village of Waterbury, Vermont
Batchelder Street to Foundry Street Sewer Main Replacement**

In accordance with Section VII of the Department's Environmental Review Procedures for Projects Funded Through the Vermont/EPA Revolving Loan Program, the Village of Waterbury, Vermont, has requested that its proposed sewer system replacement project be evaluated for eligibility for a Categorical Exclusion from the detailed environmental review that is described in the Procedures and required for projects with significant environmental impact. The proposed project includes the replacement of approximately 3,100 linear feet of gravity sewer line along Batchelder Street and Foundry Street.

Our consideration of the Village's request for Categorical Exclusion included a detailed review of the following documents:

Facilities Plan titled "*Village of Waterbury, Infiltration and Inflow Summary Report*" and dated June 2005, by Dufresne & Henry, Inc., of Montpelier, Vermont.

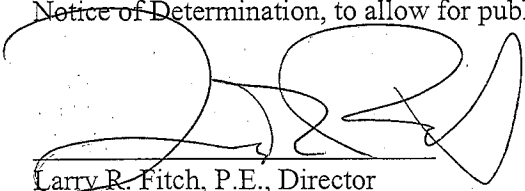

Environmental Information Document titled "*Village of Waterbury, Batchelder Street to Foundry Street Sewer Main Replacement*" and dated April 15, 2009 by Charles Grenier Consulting Engineer PC of Waterbury, Vermont.

Upon completion of its independent evaluation, the Department has determined that the project meets the criteria for receiving a Categorical Exclusion. Specifically, the project involves minor rehabilitation of existing facilities and functional replacement of the existing pumping facility, and therefore does not affect the degree of treatment or capacity of the existing wastewater treatment facility.

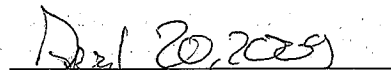

Further information on the project and this Determination is available for inspection at the following locations:

Village of Waterbury, Public Works Department, 51 South Main Street, Waterbury,
Vermont 05676
Charles Grenier Consulting Engineer PC, 155 Demeritt Place, Suite 2, Waterbury, Vermont 05676
Vermont Department of Environmental Conservation, Facilities Engineering Division,
Laundry Building, 103 South Main Street, Waterbury, Vermont 05671-0511
Telephone: (802) 241-3750

No significant administrative action will be taken on this project for thirty (30) days from issuance of this Notice of Determination, to allow for public response.

Larry R. Fitch, P.E., Director
Facilities Engineering Division
