

NOTICE OF DETERMINATION OF ELIGIBILITY FOR CATEGORICAL EXCLUSION

City of South Burlington, Vermont

Quarry Ridge Stormwater Pond Retrofit  
AR1-014

In accordance with Section VII of the Department's Environmental Review Procedures for Projects Funded Through the Vermont/EPA Revolving Loan Program, the City of South Burlington, Vermont, has requested that its proposed construction of the retrofitted Quarry Ridge stormwater pond be eligibility for a Categorical Exclusion from the detailed environmental review that is described in the Procedures and required for projects with significant environmental impact. The proposed retrofitted pond will provide a long-term reliability and meet Vermont Stormwater Management Manual Standards.

Our consideration of the Town's request for Categorical Exclusion included a detailed review of the following documents:

Environmental Information Document titled "*City of South Burlington-Quarry Ridge Stormwater Pond Retrofit*" and dated May 19 2009, by South Burlington Public Works, City of South Burlington, Vermont.

Upon completion of its independent evaluation, the Department has determined that the project meets the criteria for receiving a Categorical Exclusion. Specifically, the project involves minor rehabilitation of existing facilities, and therefore does not affect the degree of treatment or capacity of the existing wastewater treatment facility.

Further information on the project and this Determination is available for inspection at the following locations:
