

NOTICE OF DETERMINATION OF ELIGIBILITY FOR CATEGORICAL EXCLUSION

Town of Bristol, Vermont
North Street Stormwater Improvements
AR1-026

In accordance with Section VII of the Department's Environmental Review Procedures for Projects Funded Through the Vermont/EPA Revolving Loan Program, the Town of Bristol, Vermont, has requested that its proposed stormwater drainage system replacement on North Street be evaluated for eligibility for a Categorical Exclusion from the detailed environmental review that is described in the Procedures and required for projects with significant environmental impact. The proposed project includes the replacement of approximately 3,000 linear feet of storm drainage and 25 catch basins on Mountain Street, Spring Street and North Street.

Our consideration of Town's request for Categorical Exclusion included a detailed review of the following documents:

Facilities Plan titled "*Subsurface Planning Study, Bristol, Vermont*" and dated August 2006, by Green Mountain Engineering Inc., of Williston, Vermont

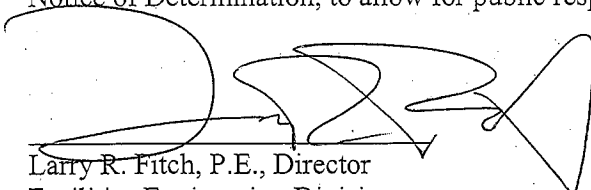

Environmental Information Document titled "*Town of Bristol, Vermont - North Street Stormwater Improvements*" and dated August, 2009, by Green Mountain Engineering, Inc., of Williston, Vermont.

Upon completion of its independent evaluation, the Department has determined that the project meets the criteria for receiving a Categorical Exclusion. Specifically, the project involves minor rehabilitation of existing facilities and therefore does not affect the degree of treatment or capacity of the existing wastewater treatment facility.

Further information on the project and this Determination is available for inspection at the following locations:

Town of Bristol, Holley Hall, Bristol, Vermont 05443
Green Mountain Engineering, Inc., 1438 South Brownell Road, Williston, Vermont 05495
Vermont Department of Environmental Conservation, Facilities Engineering Division,
Laundry Building, 103 South Main Street, Waterbury, Vermont 05671-0511
Telephone: (802) 241-3750

No significant administrative action will be taken on this project for thirty (30) days from issuance of this Notice of Determination, to allow for public response.

Larry R. Fitch, P.E., Director
Facilities Engineering Division
