

NOTICE OF DETERMINATION OF ELIGIBILITY FOR CATEGORICAL EXCLUSION

City of South Burlington, Vermont
Twin Oaks Condominiums Stormwater System AR1-070
Ridgewood/Indian Creek Condominiums Stormwater Facilities AR1-071
Winding Brook Stormwater Treatment Reconstruction AR1-072

In accordance with Section VII of the Department's Environmental Review Procedures for Projects Funded Through the Vermont/EPA Revolving Loan Program, the City of South Burlington, has requested that its improvement of the existing stormwater systems at the Twin Oaks neighborhood, Ridgewood/Indian Creek Condominiums and Winding Brook Drive neighborhood be eligible for a Categorical Exclusion from the detailed environmental review that is described in the Procedures and required for projects with significant environmental impact.

The completion of the proposed projects will provide a "best fit" solution to meet State Stormwater Management Manual Standards.

Our consideration of the City's request for Categorical Exclusion included a detailed review of the following documents:

- Environmental Information Document titled "*Twin Oaks Condominiums Stormwater System Improvements*" and dated July 24, 2009, by South Burlington Public Works, City of South Burlington, Vermont.
- Environmental Information Document titled "*Ridgewood/Indian Creek Condominiums Stormwater Facilities*" and dated July 24, 2009, by South Burlington Public Works, City of South Burlington, Vermont.
- Environmental Information Document titled "*Winding Brook Stormwater Treatment Reconstruction*" and dated July 24, 2009, by South Burlington Public Works, City of South Burlington, Vermont.

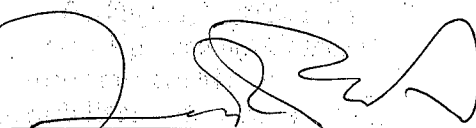

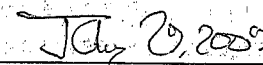

Upon completion of its independent evaluation, the Department has determined that the project meets the criteria for receiving a Categorical Exclusion. Specifically, the project involves minor rehabilitation of existing facilities, and therefore does not affect the degree of treatment or capacity of the existing wastewater treatment facility.

Further information on the project and this Determination is available for inspection at the following locations:

City of South Burlington, South Burlington Public Works, Stormwater Services, 575 Dorset Street, South Burlington, Vermont 05403

Vermont Department of Environmental Conservation, Facilities Engineering Division,
Laundry Building, 103 South Main Street, Waterbury, Vermont 05671-0511
Telephone: (802) 241-3750

No significant administrative action will be taken on this project for thirty (30) days from issuance of this Notice of Determination, to allow for public response.

Larry R. Fitch, P.E., Director
Facilities Engineering Division
