

Step 2: Design Loan

Documents to Submit	Notes	Where to Submit
Priority List Application	Required for funding, which is competitive. Applications will be scored and ranked. Scores are published in the annual Intended Use Plan (IUP). A Priority List Application is used to rank projects for potential DWSRF funding and is not a loan application. Ranking on the priority list does not secure funding; projects must still submit a complete Loan Application and receive approval through the DWSRF loan review process to be awarded funding. See more info here.	Email submission to: ANR.DWSRFpllist@vermont.gov
Preliminary Engineering Report (PER)	Consulting engineer will complete this. Either need approval of PER or equivalent to proceed. DW: use link at right. CW: submit to assigned CWSRF design engineer.	ANR Online site for report submission
Step 2 Draft Engineering Services Agreement (ESA)	Consulting engineer will complete this. SRF programs require use of the EJCDC Engineering Services Agreement Contract documents version E-500 from 2014.	ANR Online site for draft ESA review
