

CLEAN WATER STATE REVOLVING FUND (CWSRF)
DRINKING WATER STATE REVOLVING FUND (DWSRF)

SRF Guidance Document Number 5 **Loan Applications**

There is one standard application used by the Department of Environmental Conservation (DEC) for the various types of funding opportunities for both municipal and private applicants. Applicants may apply for more than one type of loan using the same application. For example, an applicant may apply for both a Step I CWSRF and DWSRF loan. They can also apply for a Step III CWSRF loan and Pollution Control Grant. An applicant may not apply for a Step I DWSRF loan and a Step III CWSRF loan, or other similar combination.

The standard application for any applicant covers the following types of loans:

- A) Step I Feasibility and Planning Loans
- B) Step II Final Design Loans
- C) Step III Construction Loans
- D) Loan amendments
- E) Pollution Control Grant
- F) Planning Advances
- G) Interim Financing
- H) Source Protection Loans
