Memo to File:

4/23/2026

Subject: Acceptance of U.S. Department of Agriculture Rural Development; Finding of No Significant Impact
Town of Waitsfield; Community Wastewater Project (RF1-313)

Overview: This memo serves as formal acceptance of the Finding of No Significant Impact determination conducted by the USDA Vermont Rural Development for the Town of Waitsfield, Community Wastewater Project. The review, which was completed on December 27, 2024 has been thoroughly assessed, and it is determined that it meets the necessary requirements for a Finding of No Significant Impact under the Vermont Clean Water State Revolving Loan Fund - State Environmental Review Procedure.

Background: This project is funded by both USDA Rural Development and the Vermont Clean Water State Revolving Fund (RF1-313). The USDA RD Finding of No Significant Impact determination was reviewed for conformance with the Vermont State Environmental Review Procedure.

Acceptance: After review of the U.S. Department of Agriculture Rural Development Notice of Finding of No Significant Impact and the Environmental Assessment for the Waitsfield Community Wastewater Project in Waitsfield, VT, prepared by DuBois & King, Inc., Vermont CWSRF has determined that this project meets the requirements for a Finding of No Significant Impact as outlined in the Vermont Clean Water State Environmental Review Procedure. This memo serves to accept the previously issued USDA RD Finding of No Significant Impact.

If there are any questions or further discussions needed regarding the acceptance of the environmental review, please feel free to call Chloe Hulsizer at (802) 522-3562.
