

# Springfield, VT

## Map #3

### DEC Stormwater Infrastructure Mapping Project

This map shows the connectedness of the stormwater infrastructure and was compiled from various sources including Town plans, WWMD plans, Stormwater permit plans, municipal member knowledge, field data, and a mapping grade GPS.

This map is for illustrative purposes only. The accuracy of the data layers shown on this map are limited by the accuracy of the source materials and field data collection. No warranty as to the accuracy or the usefulness of the data is expressed or implied. It is meant to be used as a planning level tool only.

### Legend

- | Stormwater Line |                                |
|-----------------|--------------------------------|
|                 | Storm line                     |
|                 | Storm line (old Sanitary line) |
|                 | Tunnel (storm)                 |
|                 | Combined sewer                 |
|                 | Sanitary line                  |
|                 | Swale                          |
|                 | Footing drain                  |
|                 | Under drain                    |
|                 | Roof drain                     |
|                 | Infiltration pipe              |
|                 | French drain                   |
|                 | Trench drain                   |
|                 | Emergency spillway             |
|                 | Stream                         |
|                 | Overland flow                  |

- |  |                            |
|--|----------------------------|
|  | Catchbasin                 |
|  | Dry Well                   |
|  | Drop Inlet                 |
|  | Grate/Curb Inlet           |
|  | Yard drain                 |
|  | CB tied to sanitary sewer  |
|  | Junction Box               |
|  | Outfall                    |
|  | Pipe Cross (not connected) |

### Stormwater Points

- |  |                       |
|--|-----------------------|
|  | Culvert inlet         |
|  | Culvert outlet        |
|  | Pond outlet structure |
|  | Treatment feature     |
|  | Retrofit              |
|  | Unknown Point         |
|  | Information Point     |

### Stormwater Areas

- |  |               |
|--|---------------|
|  | Existing Area |
|  | Proposed Area |

### Proposed Storm Point and Line Features

- |  |                                |  |                             |
|--|--------------------------------|--|-----------------------------|
|  | Proposed Catchbasin            |  | Proposed Storm line         |
|  | Proposed Dry well              |  | Proposed Swale              |
|  | Proposed Drop inlet            |  | Proposed Footing drain      |
|  | Proposed Yard drain            |  | Proposed Roof drain         |
|  | Proposed Stormwater manhole    |  | Proposed Under drain        |
|  | Proposed Pond outlet structure |  | Infiltration pipe           |
|  | Proposed Outfall               |  | Proposed French drain       |
|  | Proposed Culvert inlet         |  | Proposed Emergency spillway |
|  | Proposed Culvert outlet        |  | Town Boundary               |
