

# Memo

**To:** All Parties  
**From:** Peter Keibel, District #4 Coordinator  
**Date:** August 26, 2011  
**Subject:** Champlain Parkway - LUP application #4C0438-17

At the August 23, 2011 hearing, Alan Hunt, through his attorney, Franklin Kochman, urged that the Commission cancel the hearing scheduled for August 31, 2011 on Criteria 5 and 9(K)(traffic issues) pending finalization of the modifications to the Lakeside Avenue intersection of the Champlain Parkway and possibly other driveways on Pine Street. The Commission has deliberated and decided that they **will hold the hearing on August 31, 2011 at the scheduled time (6 PM)**. However, they will hold open another date, to be scheduled, to close all traffic-related and other issues still requiring testimony.
