In re: Snowshed Bond
3, V.S.A. 9808

ORDER

The Motion to Dismiss filed by Killington Limited dated December 27, 1985, is granted on the grounds that effective July 1, 1982, the Water Resources Board's jurisdiction over dams was transferred to the Department of Water Resources and Environmental Engineering (see 1981 Act (Adj. Sess.) No. 242) and therefore the Water Resources Board lacks jurisdiction to hear the subject petition for declaratory ruling.

Dated at Berlin, Vermont, this 9th day of January, 1986.

For the Vermont Water Resources
Board

Catharine B. Rachlin
Chairman.

Board members in favor:

Catharine B. Rachlin
