Re: Disposal Facility Certification #6F0316
(Proposed Leach Landfill in Enosburg, Vermont)

Dear Mr. Bartlett:

Based upon the enclosed copy of a letter from Attorney Richard A. Spokes to Stephanie J. Kaplan, dated February 11, 1987, our Petition for Declaratory Ruling has been rendered moot and we thus withdraw same. Its withdrawal is based entirely on the matter being moot at this time, and is without prejudice to its refiling if the applicant or another individual decides to again proceed on the subject landfill.

Best. regards.

Sincerely,

Stephen Reynes
