Re: Kelton's Chrysler, Plymouth, In re: Stream Location

Dear Mr. Bartlett:

Please treat this letter as a withdrawal of the appeal by Kelton's as they have decided at this time not to go forward with the stream relocation and accordingly, the appeal is moot.

If and when they decide in the future to propose a relocation they will be in contact with the appropriate state authorities to address whatever regulations may exist at that time pertaining to their proposed project.

Very truly yours,
FOR WELLS LAW OFFICES
