RE: Appeal from denial of Management of Lakes and Ponds Application  
#88-143 (92 Foot Dock) Lake Champlain, Town of Colchester

Dear Sirs:

Shortly before the prehearing conference on the above captioned appeal scheduled for January 8, 1990, E.R. Sweetland called my office to advise the Water Resources Board that the appellants had decided to withdraw their appeal and that a letter to that affect would be forthcoming. The appellants subsequently failed to attend the January 8, 1990 prehearing conference and have not submitted a letter formally withdrawing their appeal.

Accordingly, unless the appellants can show good cause for their failure to attend the January 8, 1990 prehearing conference by January 31, 1990, the Water Resources Board will consider their appeal in this matter withdrawn as of that date.

Sincerely,

A handwritten signature in cursive script that reads "William A. Bartlett".
