RE: Barnard Central School Appeal Docket No. #91-01

---

On January 31, 1991, the Water Resources Board considered the letter of appeal from the Barnard Central School, dated January 23, 1991.

Those members present voted unanimously to accept the Barnard Central School's letter-as an appeal. The Board denied the appeal because it was untimely, (outside the 30 day appeal, time) and therefore the Board lacks jurisdiction to **consider** the merits of the appeal.
