In re: Mann v. Department of
Environmental Conservation
Docket No. EPR-92-11

Authority:
3 V.S.A. §2873(c)(4)

ORDER

On March 8, 1993, the Water Resources Board received a letter from John G. Mann, Jr., indicating that he wished to withdraw his appeal in the above-captioned matter because he had reached a settlement with the Agency of Natural Resources (ANR). The parties were notified that this matter would be dismissed, unless objections were filed or oral argument was requested by March 18, 1993. No objections or requests for oral argument were timely filed with the Board. On March 23, 1993, Anne F. Whitley, Acting General Counsel for ANR, wrote to the Board to confirm that a revised subdivision permit, EC-2-0913-1R2, had been issued to Mr. Mann and that this matter was now settled between the parties.

On March 29, 1993, the Board reviewed Mr. Mann's request and determined that dismissal of this matter is not contrary to law. Therefore, the above-captioned appeal, is hereby dismissed with prejudice.

Dated at Montpelier, Vermont, this 31st day of March, 1993.
