Re: Webster d/b/a East Clarendon General **Store**
Clarendon, Vermont
Docket No. **UST-93-01**

CONTINUANCE ORDER

On February 25, 1994, the Water Resources Board (Board)' received a Joint Motion for Continuance in **connection with** the above-captioned appeal. The motion was filed by the two parties to the proceeding, the appellant, Judith Webster, represented by attorney Mary C. Ashcroft, and the Hazardous Materials Management Division, Agency of Natural Resources (HMMD/ANR), represented by attorney Mary L. Borg. The motion sought a continuance of the appeal until September 1, 1994, to enable the parties time to resolve certain ancillary matters and pursue settlement of some of the issues on appeal.

At its regular meeting on March 10, 1994, the Board considered the parties' joint request and determined that it should be granted.

Pursuant to Rule 21 of the Board's Rules of Procedure, it is hereby ordered that:

- (1) this appeal be continued until September 1, 1994: and
- (2) a telephone status conference be held among the parties and Board staff in mid-August 1994 to assess progress **toward** resolving the matters identified in the parties' **joint** motion.

Dated at Montpelier, Vermont, this 11th day of March, 1994.
