WATER RESOURCES BOARD

**In re:** Town of Pownal  
(1277 Order Appeal)  
Docket No. WQ-93-09

DISMISSAL ORDER

On November 24, 1994, the Town of Pownal (Town), through its attorney, Robert E. Woolmington, Esq. of Witten, Saltonstall, & Woolmington, P.C., filed a Notice of Appeal with the Water Resources Board (Board), seeking review of an order issued on October 26, 1993, by the Agency of Natural Resources (ANR), pursuant to 10 V.S.A. § 1277, directing the Town to initiate an assessment of options for abating the discharge of untreated or improperly treated sewage into the waters of the state from ten properties located in North Pownal, Vermont. This appeal was filed pursuant to 10 V.S.A. § 1269.

On February 3, 1994, the ANR notified the Town and the Board that it was withdrawing the order that gave rise to this appeal. On that same date, the Town filed a motion with the Board seeking dismissal of its appeal due to mootness.

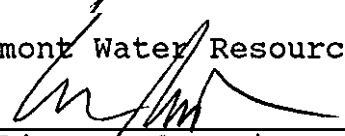

The only parties to this proceeding are the appellant and ANR. No objections or comments were timely filed concerning the Town's dismissal request.

On February 15, 1994, the Board reviewed the file in this matter. The Board considered the Town's request and determined that dismissal of this appeal, pursuant to Rule 21 of the Board's Rules of Procedure, should be granted.

The above-captioned appeal is hereby dismissed.

Dated at Li, -, Vermont, this 8th day of March, 1994.
