WATER RESOURCES BOARD**

**RE: Gordon and Wendy McAlister  
Docket No. SAP-02-03**

**CHAIR'S ORDER**

On August 12, 2002, at 1:00 p.m., Water Resources Board Chair David J. Blythe convened a prehearing conference at the Board's Conference Room in Montpelier, Vermont in the above-captioned matter pursuant to Procedural Rule 28. The Chair was assisted in the conduct of the prehearing conference by the Board's Associate General Counsel, Daniel Dutcher. The following persons participated: Permit applicant Gordon McAlister, Attorney Patrick M. Ankuda for the permit applicants, and Attorney Warren T. Coleman for ANR. No other persons filed written entries of appearance or petitions for party status.

The Chair asked those present if there were any objections to dismissing this appeal with prejudice for the following reasons:

1. The appellant filed a written withdrawal of this appeal on August 9, 2002.
2. The appellant did not cure the deficiencies in his appeal by the August 5, 2002, deadline established by a letter that the Board's Executive Officer sent to the appellant on July 25, 2002.
3. The appellant did not appear at the prehearing conference.

There were no objections.
