**RE: City of South Burlington (Bartlett Bay Wastewater Treatment Facility)
Docket No. WQ-01-04**

CHAIR'S ORDER

On May 8, 2002, Water Resources Board (Board) Chair, David J. Blythe, issued an Order in this appeal, scheduling a hearing on the merits for October 29, 2002, and establishing a prehearing filing schedule for the parties. The parties to this appeal are the City of South Burlington (City), the Vermont Agency of Natural Resources (ANR), and Conservation Law Foundation (CLF). On June 10, 2002, the parties jointly filed a Stipulation of Dismissal with the Board. In the Stipulation of Dismissal, which is signed by all the parties, CLF withdraws its appeal, and the parties jointly request the Board to dismiss this appeal with prejudice. The Stipulation of Dismissal affirms that the actions of the parties are voluntary and based on a negotiated resolution of their disputes. The parties expressly waive their rights to oral argument pursuant to Board Rule of Procedure 24 and to a written decision pursuant to Board Rule of Procedure 34.

Accordingly, it is hereby **Ordered**:

1. CLF's withdrawal its appeal is hereby approved.
2. The request of the parties that the Board issue an Order dismissing this appeal is hereby granted.
3. The above-captioned appeal is hereby dismissed with prejudice.
4. Any objections to this Order must be filed within fourteen (14) days from today's date.

Dated at Montpelier, Vermont, this 14th day of June, 2002.
