Re: Stormwater Discharge Permit renewal for Permit #4098-INDS.AR
Brookside Residential Development, Victoria Lane off Fairfax St., St. Albans, VT

Dear Ashley:

We are writing on behalf of Fairfax Street Realty, LLC (c/o Rick Bove) to renew storm permit #4098-INDS. The permit is due to expire on September 26, 2018.

This is a 3-building residential subdivision with 3.38 acres of impervious. We were asked to look at the project designed by Ruggiano. We looked at the collection system and took as-built shots to verify the pond configuration and outlet structure system to the approved design plans. This system consists of a curbed parking lots draining to catch basins to a piped collection to a large detention pond with outlet structure to the Rugg Brook watershed.

The following items are provided for the renewal:

- A completed NOI
- The applicant's fee \$240 (\$240 processing fee) + No impervious area since the permit is being applied prior to expiration;

If you have any questions or need additional information to review and process this request, feel free to call.

Sincerely,

Karl Marchessault, P.E.

Enc.
