

<u>Application/Permit Type</u>	<u>Division and Program</u>	<u>Notice Type</u>
Air Pollution Control Major Source Construction Permit	Air Quality and Climate Division Engineering Services	1
Air Pollution Control Title V Operating Permit	Air Quality and Climate Division Engineering Services	1
Air Pollution Control Minor Source Construction Permit	Air Quality and Climate Division Engineering Services	2
Air Pollution Control Subchapter X Operating Permit	Air Quality and Climate Division Engineering Services	4
Air Pollution Control Major Source Construction / Title V Operating Permit	Air Quality and Climate Division Engineering Services	1
Air Pollution Control Major Source Construction / Subchapter X Operating Permit	Air Quality and Climate Division Engineering Services	1
Air Pollution Control Minor Source Construction / Title V Operating Permit	Air Quality and Climate Division Engineering Services	1
Air Pollution Control Minor Source Construction / Subchapter X Operating Permit	Air Quality and Climate Division Engineering Services	2
Authorization of Notice of Intent - Public Water System General Permit to Operate - Transient Non-Community	Drinking Water and Ground Water Protection Division Compliance and Support	5
Public Water System General Permit to Operate - Transient Non-Community	Drinking Water and Ground Water Protection Division Compliance and Support	5
Public Water System Construction Permit	Drinking Water and Ground Water Protection Division Engineering and Operations	4
Public Water System Individual Permit to Operate	Drinking Water and Ground Water Protection Division Engineering and Operations	5
Public Water System Construction Permit - New Type of Chemical Disinfectant	Drinking Water and Ground Water Protection Division Engineering and Operations	3
Public Water System- Emergency Construction Permit	Drinking Water and Ground Water Protection Division Engineering and Operations	5
Public Water System Source Permit	Drinking Water and Ground Water Protection Division Water Resources	2
Approval to Sell Bottled Water in Vermont	Drinking Water and Ground Water Protection Division Water Resources	5
Groundwater Withdrawal Permit	Drinking Water and Ground Water Protection Division Water Resources	2
Underground Injection Control (UIC) Permit	Drinking Water and Ground Water Protection Division Indirect Discharge Permits and UIC	2
Indirect Discharge Permit - Individual	Drinking Water and Ground Water Protection Division Indirect Discharge Permits and UIC	2
Indirect Discharge Notice of Intent General Permit	Drinking Water and Ground Water Protection Division Indirect Discharge Permits and UIC	4
Indirect Discharge General Permit	Drinking Water and Ground Water Protection Division Indirect Discharge Permits and UIC	3
Underground Injection Control (UIC) Permit- Minor Amendment	Drinking Water and Ground Water Protection Division Indirect Discharge Permits and UIC	4
Indirect Discharge Permit - Individual- Minor Amendment	Drinking Water and Ground Water Protection Division Indirect Discharge Permits and UIC	4
Dam Order	Facilities Engineering Division Dam Safety	3
Brownfields Reuse and Environmental Liability Program (BRELLA)	Waste Management and Prevention Division Sites Management	5
Corrective Action Plan	Waste Management and Prevention Division Sites Management	2
Solid Waste Facility Provisional Certification	Waste Management and Prevention Division Solid Waste Management	2
Solid Waste Management Facility Certification	Waste Management and Prevention Division Solid Waste Management	2
Solid Waste Facility Interim Certification	Waste Management and Prevention Division Solid Waste Management	2
Categorical Solid Waste Certification	Waste Management and Prevention Division Solid Waste Management	4
Insignificant Waste Management Event Approval	Waste Management and Prevention Division Solid Waste Management	4
Plan for Collection of Mercury-Containing Lamps	Waste Management and Prevention Division Solid Waste Management	3
Plan for Collection and Recycling of Electronic Waste; Individual	Waste Management and Prevention Division Solid Waste Management	3
Plan for Primary Battery Stewardship	Waste Management and Prevention Division Solid Waste Management	3
Plan for Paint Stewardship	Waste Management and Prevention Division Solid Waste Management	3
Emergency Sludge and Septage Disposal Approval	Waste Management and Prevention Division Solid Waste Management	5
Solid Waste Facility Interim Certification- Minor Amendment	Waste Management and Prevention Division Solid Waste Management	4
Solid Waste Facility Provisional Certification- Minor Amendment	Waste Management and Prevention Division Solid Waste Management	4
Solid Waste Management Facility Certification- Minor Amendment	Waste Management and Prevention Division Solid Waste Management	4
Solid Waste Management Registration	Waste Management and Prevention Division Solid Waste Management	5
Temporary Hazardous Waste Emergency Certification	Waste Management and Prevention Division Technical Services	5
Category 1 Underground Storage Tank - Construction	Waste Management and Prevention Division Technical Services	4
Salvage Yard Permit	Waste Management and Prevention Division Technical Services	2
Category 1 Underground Storage Tank - Operating/Renewal	Waste Management and Prevention Division Technical Services	4
Category 1 Underground Storage Tank - Emergency Permit	Waste Management and Prevention Division Technical Services	5
Aquatic Nuisance Control Individual Permit- Minor Amendment	Watershed Management Division Lakes and Ponds	4
Lake Encroachment Individual Permit- Minor Amendment	Watershed Management Division Lakes and Ponds	4
Shoreland Protection Individual Permit- Minor Amendment	Watershed Management Division Lakes and Ponds	4

Stream Alteration Individual Permit- Minor Amendment	Watershed Management Division Lakes and Ponds	4
Rapid Response General Permit	Watershed Management Division Lakes and Ponds	3
Rapid Response General Permit - Notice of Intent	Watershed Management Division Lakes and Ponds	4
Lake Encroachment Individual Permit	Watershed Management Division Lakes and Ponds	2
Aquatic Nuisance Control General Permit: Notice of Intent	Watershed Management Division Lakes and Ponds	4
Aquatic Nuisance Control General Permit	Watershed Management Division Lakes and Ponds	3
Aquatic Nuisance Control Individual Permit	Watershed Management Division Lakes and Ponds	2
Shoreland Project Registration	Watershed Management Division Lakes and Ponds	5
Shoreland Protection Individual Permit	Watershed Management Division Lakes and Ponds	2
Pesticide General Permit	Watershed Management Division Lakes and Ponds	1
Pesticide General Permit- Authorization	Watershed Management Division Lakes and Ponds	4
Stream Alteration General Permit	Watershed Management Division River Corridor Management	3
Stream Alteration General Permit- Authorization	Watershed Management Division River Corridor Management	4
Stream Alteration Individual Permit	Watershed Management Division River Corridor Management	2
Flood Hazard Area and River Corridor General Permit	Watershed Management Division River Corridor Management	3
Flood Hazard Area and River Corridor General Permit- Authorization	Watershed Management Division River Corridor Management	4
Flood Hazard Area and River Corridor Individual Permit	Watershed Management Division River Corridor Management	2
Flood Hazard Area and River Corridor Individual Permit- Minor Amendment	Watershed Management Division River Corridor Management	4
Flood Hazard Area River Corridor Registration	Watershed Management Division River Corridor Management	5
Stream Alteration General Permit Emergency Protective Measure	Watershed Management Division River Corridor Management	5
Stream Alteration General Permit Next Flood Measure	Watershed Management Division River Corridor Management	5
Stream Alteration General Permit Registration	Watershed Management Division River Corridor Management	5
Stream Alteration Mineral Prospecting	Watershed Management Division River Corridor Management	5
Individual Construction Stormwater Permit (INDC)- Minor Amendment	Watershed Management Division Stormwater	4
Individual Stormwater Discharge Offset Permit (INDO)- Minor Amendment	Watershed Management Division Stormwater	4
Individual Stormwater Discharge Permit (INDS)- Minor Amendment	Watershed Management Division Stormwater	4
Individual Stormwater Discharge Offset Permit (INDO)	Watershed Management Division Stormwater	1
Municipal Roads General Permit 3-9040 (MRGP)	Watershed Management Division Stormwater	1
Municipal Roads General Permit 3-9040 (MRGP): Notice of Intent	Watershed Management Division Stormwater	4
Transportation Separate Stormwater Permit 3-9007 (TS4 GP): Notice of Intent- Minor Amendment	Watershed Management Division Stormwater	4
Municipal Separate Storm Sewer System General Permit 3-9014 (MS4 GP): Notice of Intent	Watershed Management Division Stormwater	1
Transportation Separate Stormwater General Permit 3-9007 (TS4 GP)	Watershed Management Division Stormwater	1
Transportation Separate Stormwater Permit 3-9007 (TS4 GP): Notice of Intent	Watershed Management Division Stormwater	1
New Stormwater Discharges Stormwater General Permit 3-9015 (GP 3-9015)	Watershed Management Division Stormwater	3
Previously Permitted Stormwater Discharges General Permit 3-9010 (GP 3-9010)	Watershed Management Division Stormwater	3
New Stormwater Discharges General Permit 3-9015 (GP 3-9015): Notice of Intent	Watershed Management Division Stormwater	4
Previously Permitted Stormwater Discharges General Permit 3-9010 (GP 3-9010): Notice of Intent	Watershed Management Division Stormwater	4
Individual Stormwater Discharge Permit (INDS)	Watershed Management Division Stormwater	1
Designated Discharges General Permit 3-9030 (RDA GP)	Watershed Management Division Stormwater	1
Designated Discharges General Permit 3-9030 (RDA GP): Notice of Intent	Watershed Management Division Stormwater	4
Stormwater Runoff from Construction Sites General Permit 3-9020 (CGP)	Watershed Management Division Stormwater	1
Stormwater General Permit 3-9020 (CGP) for Low Risk Projects: Notice of Intent	Watershed Management Division Stormwater	4
Stormwater Runoff from Construction Sites General Permit 3-9020 (CGP): Notice of Intent	Watershed Management Division Stormwater	4
Multi-Sector General Permit 3-9003 (MSGP): Notice of Intent	Watershed Management Division Stormwater	4
Individual Construction Stormwater Permit (INDC)	Watershed Management Division Stormwater	1
Municipal Separate Storm Sewer Systems General Permit 3-9014 (MS4 GP)	Watershed Management Division Stormwater	1
Municipal Separate Storm Sewer System General Permit 3-9014 (MS4 GP): Notice of Intent- Minor Amendment	Watershed Management Division Stormwater	4
Multi-Sector General Permit 3-9003 (MSGP)	Watershed Management Division Stormwater	1
Discharges From Medium Concentrated Animal Feeding Operations Stormwater General Permit 3-9100 (CAFO GP)	Watershed Management Division Stormwater	1
Discharges from Medium Concentrated Animal Feeding Operations General Permit 3-9100 (CAFO GP): Notice of Intent	Watershed Management Division Stormwater	4
Wetlands After the Fact Permit	Watershed Management Division Wetlands	2

Wetlands Individual Permit- Minor Amendment	Watershed Management Division Wetlands	4
Wetlands Individual Permit	Watershed Management Division Wetlands	2
Wetlands General Permit	Watershed Management Division Wetlands	3
Wetlands General Permit Authorization	Watershed Management Division Wetlands	4
Wetlands Determination	Watershed Management Division Wetlands	2
Wastewater Discharge Individual Permit	Watershed Management Division Wastewater Discharge	1
Federal Pretreatment Individual Permit	Watershed Management Division Wastewater Discharge	1
General Permit 3-9004: Discharges to Surface Waters from Petroleum-related Remediation Activities	Watershed Management Division Wastewater Discharge	3
General Permit 3-9004 Notice of Intent: Discharges to Surface Waters from Petroleum-related Remediation Activities	Watershed Management Division Wastewater Discharge	4
General Permit 3-9016: Discharges from Petroleum-related Remediation Activities into Municipal Wastewater Treatment Facilities	Watershed Management Division Wastewater Discharge	3
General Permit 3-9016 Notice of Intent: Discharges from Petroleum-related Remediation Activities into Municipal Wastewater Treatment Facilities	Watershed Management Division Wastewater Discharge	4
Emergency Pollution Permit	Watershed Management Division Wastewater Discharge	5

Act 150 Notice and Comment Period Requirements per Permit Type

Revised Jan. 2018

Notice Type	Upon Application Submittal	Administratively Complete Application	Draft Decision	Comment / Meeting Request Period	Public Meeting	Post-Meeting Comment Period	Final Decision	Appeal Period
Type 1 <i>Federal General Permits & Individual Clean Air/Water Act</i>	For individual permits: Applicant notices adjoining property owners by US mail	Notice sent to all federally required parties. Notice of complete app required ≥15 days prior to draft decision (<i>doesn't apply to general permits</i>)	Notice posted to ENB & all related documents that were considered for the decision. Factsheet posted with Draft Decision. *DD cannot be posted w/in 15 days of Admin. Complete notice. Newspaper noticing required*	≥ 30 days. Meeting request can be made any time during the comment period	Must be announced for ≥30 days prior to meeting date	Lasts ≥ 7 days after public meeting	Notice posted to ENB with final decision, response to comments, and factsheet.	Option for appeal is only available to those that submit substantive comments. Must file within 30 days of final decision
Type 2 <i>Individual Permits</i>	Applicant notices adjoining property owners // terrestrially adjoining for lakes & shorelands	Notice posted to ENB - Application	Notice and documents posted to ENB - Application - Draft decision - Documents relied on to develop decision (determined by Program)	≥ 30-day comment period / Meeting request must be made within 14 days of draft decision	Must be announced for ≥14 days prior to meeting date	Lasts ≥ 7 days after public meeting	Notice posted to ENB with final decision and response to comments.	Option for appeal is only available to those that submit substantive comments. Must file within 30 days of final decision
Type 3 <i>State general permits</i>	No notice required to adjoining property owners	Notice posted to ENB - Application	Notice and documents posted to ENB - Application - Draft decision - Documents relied on to develop decision (determined by Program)	≥ 30 days upon DD posting. Meeting request must be made within 14 days of draft decision	Must be announced for ≥14 days prior to meeting date	Lasts ≥ 7 days after public meeting	Notice posted to ENB with final decision and response to comments.	Option for appeal is only available to those that submit substantive comments. Must file within 30 days of final decision
Type 4 <i>Includes most NOIs; Minor amendments for issued permits</i>	No notice required to adjoining property owners	Notice posted to ENB - Application	Notice and documents posted to ENB - Application - Draft decision - Documents relied on to develop decision (determined by Program)	≥ 14 days upon DD posting. Public cannot request meeting	N/A	N/A	Notice posted to ENB with final decision and response to comments.	Option for appeal is only available to those that submit substantive comments. Must file within 30 days of final decision
Type 5 <i>Emergency Permits; Registrations</i>	N/A	N/A	N/A	N/A	N/A	N/A	Notice posted to ENB with final decision.	Appeal period exists but public comments are not applicable to this type. Must file within 30 days of final decision

NOTES:

- The initial day the comment or notice period begins is the day following the date which the notice was posted. Example: ENB posting of Draft Decision on June 13, 2017, the 30-day comment period for Type 1, 2, or 3 would begin on June 14, 2017.
- Each notice or comment time period in the chart is inclusive of weekend days.
 - Comment period dates cannot end on a weekend or holiday.
- There are three kinds of amendments under Act 150. Those are administrative, minor, and major. The kind of amendment will dictate the type of notice needed.
 - Major = same process as original permit
 - Minor = Type 4, minus notice of application submitted
 - Administrative = not notice procedures required
 - Renewal = follows same notice Type as the original permit
- Unless indicated in the chart above, all notices are sent by email.
