We, the Legislative Body of the Municipality of Westford certify that we have reviewed, understand and comply with the Town Road and Bridge Standards / Public Works Specifications and Standards passed and adopted by the Selectboard / City Council / Village Board of Trustees on April 10, 2014.

We further certify that our adopted standards do do not meet or exceed the minimum requirements included in the January 23, 2013 VTrans template.

We further certify that we do do not have an up-to-date highway network inventory which identifies location, size, deficiencies/condition of roads, bridges, causeways, culverts and highway-related retaining walls on class 1, 2, and 3 town highways, and estimated cost of repair.
