RE: Petroleum contamination at 26 Terrace Street (Site #92-1266)

Dear Mr. Tetreault:

The Sites Management Section (SMS) has received your January 8, 1992 letter regarding the above referenced site. As you mentioned, the monitoring wells have been scheduled to be installed by AOT in February of 1993. Please inform us when the installation has been completed so that we may coordinate the necessary groundwater sampling.

Thank you for your cooperation at this site. Please feel free to call with any questions.

Sincerely,

Charles B. Schwer, Supervisor
Sites Management Section
