Attn: Tim Cropley

Dear Mr. Cropley:

This letter serves as notification that 49.39 tons of gasoline contaminated soils were received from Mountain Top Inn, Chittenden, VT at our Class A Soil Recycling Facility in North Adams, MA (MADEP Permit #WR-92-09) on 9/26/95.

The material was transported by Maxymillian Technologies of Pittsfield, MA.

Please feel free to contact me if you have any questions.

Sincerely,

MAXYMILLIAN TECHNOLOGIES, INC.

Regina Simmons
Assistant to the Vice President
