Re: *State of Vermont, ANR v. Saint-Gobain Performance Plastics*  
*Docket No. 205-7-17 Bncv*

Dear Ms. Canty:

On July 26, 2017, the State of Vermont, Agency of Natural Resources and Saint-Gobain Performance Plastics Corporation filed *Pleadings by Agreement and Stipulation for the Entry of Consent Order, with Consent Order and Final Judgment Order (including Appendices A-G)*. The parties requested that the Court refrain from taking action on the Consent Order to allow for a 30-day public comment period.

The 30-day public comment period will close on August 25, 2017. To ensure that the State has adequate time to review comments, the State respectfully requests that the Court refrain from entering the Consent Order until the parties notify the Court. The State will complete its review of comments as expeditiously as possible.

I am authorized to state that Saint-Gobain Performance Plastics Corporation consents to this request.

Please do not hesitate to contact me with any questions.

Sincerely,
