Re: *State of Vermont, ANR v. Saint-Gobain Performance Plastics*
Docket No. 205-7-17 Bncv

Dear Ms. Canty:

The State submits this letter as a follow-up to its letter of August 22, 2017, in which the State requested that the Court refrain from entering the Consent Order in the above-captioned matter until the parties had notified the Court. This letter serves as notification that the State has completed its review of the public comments that were submitted on the Consent Order. The State is responding separately to the individuals who submitted comments, and has no changes to propose on the Consent Order.

As such, the State respectfully requests that the Court enter the previously filed *Consent Order and Final Judgment Order* in the above-captioned matter as expeditiously as is convenient for the Court.

I am authorized to state that Saint-Gobain Performance Plastics Corporation consents to this request.

Please do not hesitate to contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Robert F. McDougall".
