**Categories:** PFOA

Renita- Will you please reach out to Clark Friese: [Clark.Freise@des.nh.gov](mailto:Clark.Freise@des.nh.gov), Assistant Commissioner for NH to coordinate a meeting on PFOA with whomever he wants from his team? I'm thinking in-person (possibly White River Junction- we'd need to find a space, but I think that's half way between us), but please confirm with him. Thanks. -AS

Our team:

- Me
- George
- Chuck
- Tracy Dolan- health
- Sarah Vose- health
- Lori Cragin- health
- Matt Chapman or Jen Duggan optional

Harry/Tracy- I recently spoke with the NH DES Commissioner Tom Burack. Tom asked if our teams could get together to share information on PFOA. NH DES is particularly interested in the formula VT has used to set PFOA health advisory levels for drinking water, surface water and soils. They are at a point where NH is considering if they should set levels or use EPA's long-term exposure number of 100ppt. Are Lori Cragin and Sarah Vose the right people to invite to such a meeting? Anyone else? Finally, would either of you like to attend? Or should we make your participation optional. This will likely be an in-person meeting, likely in White River Junction or some other point in between our offices. -Alyssa
