To help fulfill the work identified below here are some immediate steps I believe we should take:

- Fill Maria's old position as soon as possible
- Continue to work on getting the limited service position requested in the position pilot
- Utilize staff within the WMPD to assist with site management duties (Kasey, Jaymi, Mike and Shawn)
- Utilize staff within the DEC to assist with site management duties (Darlene Autry, Dierdra Ritzer, Jeff Girard, Elias Erwin)

Let me know what you think of these ideas.
