Thank you Shaun for agreeing to assist. I would say the soonest we could accommodate a meeting would be April 15th.

Renita,
Good morning.
Thanks to Comm. Schuren for reaching out to VRWA on this and yes we can assist with organizing. If needed I am available to discuss in person. Will need a bit of time so we can insure adequate time for planning but am sure we can work something out.
Thanks.

Good morning.

Commissioner Alyssa Schuren would like to meet with the folks that manage Vermont's water supplies concerning PFOA. Would you be willing to organize something? We can work together on dates she is available.

Please reach out with any questions. Thank you.
