Subject: Re: PFOA meeting?

Categories: PFOA

HI - There is a space in the hotel called the Sky Bridge - that connects the meeting rooms from the sleeping rooms that is nice, open and has high top tables and chairs. That is the best option for a PFOA meeting on Monday or Tuesday night. I would be happy to get the word out once you decide the day and time. Just let me know your preference. Great idea!

I keep hearing from people interested in putting together a PFOA-PFOS ITRC proposal. Do you think it would be possible to get a room to meet one of the nights during the spring meeting, preferably Monday or Tuesday? If so, I can contact the various people and try to put something together.
