

Rutland City, VT

DEC Stormwater Infrastructure Mapping Project

This map shows the connectedness of the stormwater infrastructure and was compiled from various sources including Town plans, WWMD plans, Stormwater permit plans, municipal member knowledge, field data, and a mapping grade GPS.

This map is for illustrative purposes only. The accuracy of the data layers shown on this map are limited by the accuracy of the source materials and field data collection. No warranty as to the accuracy or the usefulness of the data is expressed or implied. It is meant to be used as a planning level tool only.

Stormwater Line		Stormwater Points		Proposed Storm Point and Line Features	
Storm line	Roof drain	Catchbasin	Culvert inlet	Proposed Catchbasin	Proposed Storm line
Storm line (old Sanitary line)	Infiltration pipe	Dry Well	Culvert outlet	Proposed Dry well	Proposed Swale
Tunnel (storm)	French drain	Drop Inlet	Pond outlet structure	Proposed Drop inlet	Proposed Roof drain
Combined sewer	Trench drain	Grate/Curb Inlet	Treatment feature	Proposed Stormwater manhole	Proposed Under drain
Sanitary line	Emergency spillway	Yard drain	Retrofit	Proposed Pond outlet structure	Infiltration pipe
Swale	Stream	CB tied to sanitary sewer	Unknown Point	Proposed Outfall	Proposed French drain
Footing drain	Overland flow	Junction Box	Information Point	Proposed Culvert inlet	Proposed Emergency spillway
Under drain		Stormwater Manhole		Proposed Culvert outlet	Tunnel (storm)
		Outfall			
		Pipe Cross (not connected)			

Stormwater Areas	
Existing Area	Proposed Area

0 0.0375 0.075 0.15 Miles
