AUTHORIZATION TO CONDUCT STREAM ALTERATION ACTIVITIES

Pursuant to Section C.2.2 of the VT Stream Alteration General Permit (Reporting activities not requiring an application)

Project Number: **SA-04-001-2015**

Applicant Name: Town of Williston c/o Ms. Sheltra

Mailing Address: N/A Phone: 878-1239 Email: lsheltra@willistonvt.org

Project Location: Williston, Allen Brook, south of Meadow Run Road, lat 44-27-37.1, long 73-06-40.4

The Secretary of the Vermont Agency of Natural Resources (VT ANR) has determined that:

1. This project authorizes the construction on an approximately 150' long clear span pedestrian bridge.
2. The proposed activity is eligible for coverage under the VT ANR Stream Alteration General Permit.
3. The proposed activity will meet the terms and conditions of the General Permit provided:
 - a) The project will be completed as shown on the plans titled "flood map.pdf", "Layout sheet4.pdf", "layout sheet 5.pdf", and "Profile sheet 6.pdf" dated Aug 2012, prepared by Lamoureux & Dickinson, Consulting Engineers, Inc.
 - b) The project will not adversely affect the public safety by increasing flood hazards.
 - c) The project will not significantly damage fish life or wildlife.
 - d) The project will not significantly damage the rights of riparian owners.
 - e) The project will not obstruct the movement of aquatic life indigenous to the waterbody beyond the actual duration of construction.
 - f) The project is conducted in a manner which minimizes or avoids any discharge of sediment or other pollutants to surface waters in violation of the VT Water Quality Standards.
 - g) The ANR River Management Engineer is notified by phone, text, or email when construction begins and when the project is complete.
 - h) There is no in-stream work associated with this project.
 - i) This authorization has been posted for three days public comment. This authorization constitutes final approval.

If there are any changes in the project plan or deviation in construction from the plan, the Permittee must notify the River Management Engineer immediately.

If the project is constructed as you have described, as shown on the above referenced approved plans and according to the above conditions, there is no reason to expect any violation of Vermont Water Quality Standards.

Signed this 13th day of January, 2015

This permit expires December 31, 2015.

David K. Mears, Commissioner

Department of Environmental Conservation
