Windsor, VT 05089

Re: Copy of Application for Coverage Under the Stream Alteration General Permit for Reporting Activity
for American Precision Museum Windsor Vermont

Dear Town Officials,

Engineering Ventures is assisting the American Precision Museum in Windsor Vermont. The Museum is proposing to construct a protective cap on their failing retaining wall along Mill Brook. As part of the permitting process, you are a party that is required to receive notification of these activities.

We have enclosed plans and the permit application for this work.

Please let us know if you have any questions.

Sincerely,

Jeff Zweber
Project Engineer
Engineering Ventures, PC

cc: Ann Lawless, Executive Director – American Precision Museum

Re: Copy of Application for Coverage Under the Stream Alteration General Permit for Reporting Activity
for American Precision Museum Windsor Vermont

Dear Neighbor,

Engineering Ventures is assisting the American Precision Museum in Windsor Vermont. The Museum is proposing to construct a protective cap on their failing retaining wall along Mill Brook. As part of the permitting process, you are a party that is required to receive notification of these activities because your property abuts or is across the street from the American Precision Museum property.

We have enclosed plans and the permit application for this work.

Please let us know if you have any questions.

Sincerely,

Jeff Zweber
Project Engineer
Engineering Ventures, PC
