

Rifle Season Hunter Effort Survey Instructions

Conservation ID: Please enter your Conservation ID (from your Hunting License). This is a required field.

County & Age: Please enter select the county where you live and enter your age. This information will help us with the accuracy of the survey. For an out-of-state county, please leave the item selected in the list on "choose."

Did you Harvest/Did not Hunt: Please indicate whether or not you harvested a deer during rifle season, or if you did not hunt during the rifle season.

WMU: Select the Wildlife Management Unit (WMU) where you hunted that day. If you hunted in multiple WMUs on that day, please add a separate record for each WMU on that day. Refer to the map to properly identify the WMU(s) you hunt:

<https://vtfishandwildlife.com/hunt/find-a-place-to-hunt/wildlife-management-units>

Hours: Record the number of hours you hunted on each day of the season. Round to the nearest whole hour. If you hunted less than one hour, enter one (1).

Wildlife Sightings:

Deer: Record the number of individual deer of each type (antlered, antlerless, or unknown) you saw while hunting each day.

Moose: Record the number of individual moose of each type (bulls, cows, calves, or unknown) you saw while hunting each day.

Other: Record the total number of bears, coyotes, bobcats, turkeys, and grouse you saw while hunting each day.
