Meeting rules to facilitate a productive and interruption free meeting:

- When you join the meeting, you will be “in the lobby” until a meeting presenter allows you into the meeting. Once allowed into the meeting, you will be muted.
- Please remain muted unless you are instructed otherwise. Unmuting yourself may negatively impact the audio feedback for all meeting participants.
- To verbally ask a question or submit a comment during the meeting, please send an email to olin.reed@vermont.gov or call 802-490-6121 by no later than November 18th with your name. A list of names will be created chronologically from when the request to ask a question or submit a comment was received. If online, when a meeting presenter calls your name during the meeting to have you ask your question or submit your comment, unmute yourself by clicking the microphone symbol or press *6 if you called in to the meeting. Before moving on to the next individual, a meeting presenter will put you back on mute.
- If you are not calling in to the meeting, there is a chat box visible to meeting participants. Public comments can be submitted using the chat box. If there is still time remaining in the meeting and all of those that asked to speak in advance have spoken, please type your request to speak in the chat box. Please wait to be called on by a meeting presenter.

This meeting will be recorded. Additional public comments can be submitted through the following pages: <https://enb.vermont.gov/?id=23541>
