Warren Town Garage – Vaughn Brown Road
Warren, Vermont
Request to Amend Vermont Individual Wetland Permit, DEC File #2025-0538

Dear Shannon,

On behalf of the Town of Warren ("the Town" or "Applicant"), VHB is electronically submitting the application form and supporting materials to the Vermont Department of Environmental Conservation ("DEC") Wetlands Program requesting amend the Individual Wetland Permit #2025-0538 ("Permit"), issued December 16, 2025 for the proposed relocation of the Town Highway Garage from the existing location at 119 School Road to the proposed location ("Project") at the intersection of Vaughn Brown Road with VT Route 100 in Warren (Washington County), Vermont (see Site Location Map in the Supporting Documents). To that end, VHB has prepared this application per the Vermont Wetland Rules ("VWR") pursuant to 10 V.S.A. § 6025(d)(5), to request authorization for additional Class II activities, identified to complete the proposed Project. The Project purpose and need remain the same.

There are no additional impacts to wetlands proposed. The Applicant is seeking supplementary authorization for permanent Class II wetland buffer impacts resulting from activities part of proposed Project construction, subject to receipt of the necessary approvals.

An application fee of **\$331.75** will be provided and is based on the following **additional** impacts:

- 367 square feet of permanent Class II wetland buffer impact; 0 square feet of temporary (net reduction of 179) Class II wetland buffer impact =

Additional Wetland Buffer Impacts: 367 square feet.

Thank you for your timely and expeditious review of the enclosed materials. Please do not hesitate to contact us if you have any questions, comments, or require further information regarding the enclosed Vermont Wetland Permit Application and supporting materials.

Sincerely,

Ref: 59214.00
