

D. Product Information

Please enter the following information for each product. If you have a number of products in a single category for which all of the information is the same except for the product identifier, simply list all of the product identifiers by pressing the "enter" or "return" key after each entry. If you have more products to report than there is space in the table below, simply save the blank form file as "clip_products.doc" and complete the form as many times as necessary saving each completed form with a different filename (e.g. clip_products_1.doc, clip_products_2.doc, etc.).

** Enter the Alternative Labeling Request approval number which has been assigned to your approval by the Agency or enter the Alternative number which has previously been established for specific product categories, if applicable.

Type of Product	Company Product Identifier(s)	Mercury-Added Product or Component	Amount of Mercury	Label Location & Attachment Method	Label Wording	Label Size & Material	Font Size	ALT# or N/A**
